

maps

the hardest thing  
goodbye to maps  
the pink ones of course  
finding a way down the yellow lane  
or brown  
avoiding the red,  
the village, pub or church  
still they mount up  
not to be revisited  
but poured over on the loo  
in imagination  
hammoon and plush  
okeford fitzpaine, haslebury bryan  
sixpenny handley  
piddlethrethide  
let not the dreaded blue come near them  
not hatfield new town!  
what have they done to england.
